AGENDA ITEM NAME: Abrams Park Master Plan - Refined Concept Review

SUMMARY/BACKGROUND:

Abrams Park has been the gem of Ridgefield's Parks System for decades. Every weekend, it bustles with hundreds of people enjoying its beauty. The Park has been home to many of the City's premier events and has served as a place many residents think about when they think history, heritage, nature, and connection.

All this love for the park has taken a toll on its infrastructure. A Master Plan process was approved in the 2024 Parks Capital Budget. Supporting the city on this project is AKS with support from PointNorth, the consulting firms we've chosen for their expertise in this area. Together, we're working to make Abrams Park even better for everyone to enjoy.

A study session was held with the Council on December 21st, 2023, to review project expectations and receive Council input on the process. An Open House was held, and a community engagement survey was opened on Ridgefield Roundtable to receive feedback from the public. The results of these community engagement efforts were shared with the Parks Board on March 13th, 2024. Preliminary Concepts were provided to City Council on March 28th, 2024 where feedback was provided to staff and the consultant team. The

This evening, refined concepts are to be presented to the Parks Board for review and consideration of a recommendation of a final Master Plan concept to the City Council.

Abrams Park Master Plan

Draft Concept Plan Review

April 10, 2024

Master Plan

Two conceptual Master Plan options incorporating:

- Community feedback & parks staff input
- Site constraints/opportunities
- Anticipated city-wide development & improvements

Goals:

- Provide a consistent planning guide for future implementation projects
- Preserve & enhance existing assets, while anticipating growth & increased demand of a diverse population
- Consider current & future maintenance needs

Master Plan - Guiding Principles

User Experience

- Variety of experiences for different users
- Opportunities for social interactions & creating special memories
- Accessibility
- Improved trail experience & connections
- Consistent fixtures & finishes

Nature & Environment

- More access to nature
- Educational/interpretive elements
- Native plant material
- Quiet spaces

Safety

- More/better organized parking
- Traffic flow management & emergency vehicle access
- Maintenance

Master Plan – Programing Themes

Each concept master plan has three common programming themes

Community Connections

- Directional & interpretive signage
- Trail surfacing updates
- Improved trail connectivity
- Preserve/create new heritage elements

Natural Zone

- Gee Creek views & access
- Improve access to forest/natural areas
- Benches, picnic tables, & rest points along trails
- Boardwalk
- Native plantings & streambank restoration
- Nature play
- Disc golf & orienteering courses

Active Zone

- Enhance access & playability of sports fields
- Event rental space & bandshell
- Sports courts (pickleball, tennis, basketball, etc.)
- Better traffic flow & emergency vehicle access
- Better organize & increase parking
- Consolidate playgrounds to reduce maintenance needs
- Group picnic facilities

Keeping What Makes Abrams Great

Maintained Amenities

Community Connections

- Trails to Downtown, Refuge, and Neighborhoods
- Stage / Event Space
- Reservation Space
- Large Playground

Natural Zones

- Ron Onslow Nature Play
- Gee Creek Access
- Forest Space North of Fields
- Wayfinding Course
- Current Native Plants

Active Zone

- Home Base for Ridgefield Little League
- Soccer Fields
- 9-hole Disc Golf Course

Nearby Trail Connection Projects & Improvements

What Needs Addressed

Potential Needs/Wants

Community Connections

- Parking Availability
- Ease of Access for Multimodal Users
- Increased Reservation Spaces

Natural Zones

- Wayfinding and Interpretation Signage
- Distinct Natural vs. Active Zones of Abrams
- Increased Access to Natural Zones of Parks (Trail Updates)
- Preservation of Natural Elements

Active Zone

- Potential for Other Sports (Pickleball, Tennis, Basketball)
- Define the Intention of Field Space in relation to our Park System
- More Restrooms

Conceptual Master Plans - Site Utilization

Concept A

Active Zone

~ 9.62 acres (16.6%)

Active Zone - Differences

Concept A

Sports Field Improvements

- Maintains Current field space but Rearranges Configuration
- Bennet Hall Location Remains Same – Potential for Improvements depending on funding
- Softball Field becomes USA Softball Regulation Size

Why? Softball is a growing sport, and equity for women's sports is considered.

Concept B

Addition of Activities

1. Reposition Bennet Hall for increased parking and configuration
2. Reduces current field space while increasing other sports facilities (Pickleball/Tennis, Covered Multi-Use Court)
3. Expanded Seating Plaza for Organized Sports
4. Addition of T-Ball Field / Loss of Softball

Why? T-ball is the highest-demand activity for RLL; Little League and T-ball are Gender-Neutral Sports. Decreased demand for T-ball allows for more Softball Space at RORC.

2024 First Quarter Work Plan Report

City of Ridgefield – Parks Board of Commissioners

Chair: Rian Davis Vice-Chair: Beth Bicknell

Members: Alex Earl, Whitney Randall, Sarah Scott, Sandy Schill, and Brigid Taylor

Overview

The initial quarter of 2024 for the Parks Board of Commissioners has primarily focused on establishing clear goals, refining expectations, and developing efficient processes. Key initiatives undertaken included the formulation of a comprehensive 2024 Work Plan, a thorough examination of the Parks Board Governing Documents such as RMC 2.56 and the Parks Board Rule of Procedure, and an insightful presentation on prevailing industry trends in Parks and Recreation resource management. These deliberations are empowering Parks Board members with the requisite knowledge to make well-informed decisions as they navigate through various opportunities and projects outlined in our work plan. Furthermore, in the realm of Capital Projects, the Parks Division has been diligently collaborating with consultants and internal teams to ensure steady advancement on individual projects and enhance the overall operations of Parks, Trails, and Recreation services.

Administrative

Parks Board Governing Documents

Q1 Report: The Parks Board discussed the Parks Board Rules of Procedure at their March meeting, and their feedback was provided to the Parks Manager. City staff are currently working on a draft Rules of Procedure for consideration at the May 8th Park Board Meeting. A recommendation from the Parks Board and Planning Commission to the City Council is expected in May 2024.

Update to the 2020 Parks, Recreation, and Open Spaces Plan, including a six-year Parks Capital Facilities Plan: 2024 Progress Report

Parks, Trails, and Recreation User Policies

Q1 Report: Scheduled for 2024 Q2.

Parks and Trails Assets Inventory

Q1 Report: The Parks Manager has been coordinating an array of inventory activities in Q1, including surveying by the Ridgefield School District's CAPS program, reviewing staff-collected data, work by the team at Otak in relation to the PROS Plan update, and uncovering historical metrics in city records. A report on the current Parks and Trail Asset Inventory is expected by Q3 2024.

Parks & Trail Signage and Brand Development

Q1 Report: Scheduled for 2024 Q2.

Parks and Trails Standards

Q1 Report: Scheduled for 2024 Q4.

Capital Projects

Abrams Park Master Plan

Q1 Report: AKS, with support from Point North, was selected as the consultant for the project in November 2023. A joint Parks Board and City Council Study Session was held on December 21, 2023, to receive feedback on the community engagement process and expectations for the project. The community engagement took place in January and February 2024 with an open house and Ridgefield Roundtable survey. Findings were reported to the Parks Board at the March 13, 2024, Parks Board Meeting, and feedback was received on the potential amenity enhancements and additions. Concepts were developed and presented to the City Council on March 28, 2024. The Council provided feedback, which will be included in refined concepts, which are to be presented to the Parks Board on April 10, 2024. A recommendation will be considered and provided to the City Council for consideration at their April 25, 2024, meeting. City staff are concurrently working on an application for the Youth Athletics Facilities (YAF) Grant through the Washington Resource and Conservation Office (RCO), which will be submitted in May 2024.

Boyse Park – Planning/Design/Construction

Q1 Report: City Staff are currently drafting the Request for Qualifications (RFQ) for the Boyse Park Phase 1 Improvements. Request for bids is scheduled to take place in 2024 Q2.

Gee Creek Trail Heron Drive to Main Street

Q1 Report: MacKay Sposito was awarded the design contract at the January 25, 2024, City Council meeting. City staff have been coordinating with the consultant to determine the scope of work. Work is ongoing.

Installation of Lights on Fields 4 and 5 at the RORC

Q1 Report: City staff have applied for grants to support projects. With this potential award and an appropriation in the 2024 Budget approved by the City Council, it is expected these lights will be installed and operational by December 31, 2024.

Onslow Nature Play Area – Design and Construction

Q1 Report: City staff are awaiting the finalization of the Abrams Park Master Plan. Work is ongoing.

Paradise Pointe Park Master Plan (Name of Park TBD)

Q1 Report: City Staff are currently drafting the Request for Qualifications (RFQ) for the Paradise Pointe Park Master Plan. Request for bids is scheduled to take place in 2024 Q2.

Skate Park Alternative Analysis

Q1 Report: The consultant team is compiling the final report. The final report is expected in 2024 Q2.

Waterfront Park Master Plan

Q1 Report: Walker Macy, with support from Maul Foster Alongi (MFA), was awarded the contract at the December 7, 2024, City Council meeting. The initial rounds of the Community Engagement Process have taken place in January and February. Concepts were presented to the public at their March 5, 2024, open house. After discussions between the consultant team, the Port of Ridgefield, and the City, the project timeline was extended to late summer/early fall 2024. This was done to include community engagement activities at local events, such as the Big Paddle, and to provide the public with more opportunities to provide their perspective on the project. Final recommendations are expected from the Parks Board to the City Council by September 30, 2024.

2024 Parks Board Work Plan

Approved by City Council on 1/25/2024

Overview

In 2024, the City of Ridgefield's Parks Board is embarking on a work plan emphasizing intentionality and strategic decision-making. Anticipated highlights this year include three Parks Master Plans (Abrams, Waterfront, Paradise Pointe); an update to the Parks, Recreation and Open Space Plan, including a new six-year Parks Capital Improvement Program; code amendments related to parks and trails; updated trail design standards; and updating Parks Board Rules of Procedure. Our primary objective is to streamline our efforts, focusing on fewer but more impactful projects to ensure we see tangible progress throughout the year.

Setting Clear Priorities

Our first step in achieving this goal is to set clear priorities. By identifying the most critical projects that align with the city's long-term vision, we can concentrate our resources and efforts where they will make the most significant difference. This includes Administrative, Community Engagement, Operational, and Capital Project work.

Progress Monitoring and Reporting

Quarterly reports will be a crucial component of our commitment to transparency and accountability. In coordination with the Parks Manager, the City of Ridgefield's Parks Board will deliver comprehensive updates to the City Council for review. These reports will provide a detailed account of the progress made on our strategic initiatives, community engagement efforts, and any challenges encountered during each quarter.

By being intentional and strategic in our approach, the City of Ridgefield's Parks Board aims to make 2024 a year of significant progress and positive change. We look forward to collaborating closely with the community to create a more vibrant and accessible city for everyone.
