1. State of the City

Roundabout Committee,

I want to share an early heads up about this year's State of the City event and invite your participation.

The event will include a reception from **5:30–6:00 PM on Tuesday, March 17** at the Ridgefield High School Commons, where boards and commissions will host tables and connect with community members prior to the mayor's presentation. The Roundabout Committee has been invited to host one of four tables. The focus will be on your role as a committee member within the city and the work that you are doing. Anyone helping at the table should plan to arrive by 5:15 PM.

I will help coordinate and develop any graphics or posters we may want at the table. We will also have this as an agenda item at next week's meeting to talk through a simple approach and key messages.

In the meantime, please reply to let me know if you are available to attend and represent the Committee that evening.
