OLD BUSINESS - [6:32 PM](#)

1. Outreach Summary, Bryan Kast

Bryan shared feedback from citizens, following community events, on what they felt was important related to parks and trails amenities. Community events include Family Game Night, National Night Out, a stand alone event in Davis Park, Experience Ridgefield and a Stakeholder's Meeting. In short, there is strong interest in a splash pad, an inclusive playground, a permanent skate park, trail connectivity and, at some point, a public swimming pool. At November's Parks Board meeting, Steve Duh will share how all information collected will feed into the Parks Comprehensive plan for 2020.

NEW BUSINESS - [6:40 PM](#)

1. Canyon View Parks Update, Bryan Kast

There is a city park on Sevier Road near the Canyon View neighborhood. Next to the park was a sewer pump station that the Sewer District removed and relocated. In it's place will be a pickleball court.

PUBLIC COMMENT - [6:49 PM](#)

Sandra Day Resident

Sandra attended a Parks Foundation of Clark County meeting. The annual Park's Luncheon is May 14, 2020, and will coincide with the Lewis and Clark departure of coming to the West Coast from St. Louis. Also, National Trails Day is the first Saturday in June. Clark County is thinking about having a countywide clean up day in partnership with SOLVE.

STAFF REPORTS - [6:51 PM](#)

Public Works Update

Harper's Playground Workshop - Bryan asked for a volunteer to attend this workshop, November 17-19. Marie will attend.

Stormwater Project - On Hillhurst, near the Dog Park, construction is underway to redirect stormwater from flowing onto a customer's property to a stormwater pond off Refuge Road.

Dog Park Enhancements - Bryan is bidding work in a couple of weeks. Due to some re-grading inside the park, temporary fencing will be installed (inside the park) to ensure it remains available while work is being done.

Suggested Park Names - The Board received several names for the future park near the apartments off Royle Road. Bryan shared the list and reviewed the process for making a recommendation to Council.

Parliamentary Procedures Training - Bryan reminded the Board about the joint training session with the Planning Commission and Council.

Parks and Trails Tour - This has been scheduled for Spring of 2020.

FROM THE BOARD - [6:56 PM](#)

Board Member Updates

Board Member Rachel Coker inquired about the parks volunteer program. Staff will be meeting to discuss the program and bring feedback back to the group.

Chair Kimberly Stenbak provided an update from Experience Ridgefield.
