LATE CHANGES TO THE AGENDA

PUBLIC COMMENT - [6:35 PM](#)

Kathy Winters - Resident

Would like trees planted between the walnut trees in Overlook Park. Existing trees are getting old. This would provide a head start and nice trees as a replacement. Also, would like a map showing walking trails in Ridgefield.

Dave Cummings - Resident

President of Canyon View HOA inquired about trail use rules and maintenance of city parks. He also expressed concerns about trailhead access by motor vehicles and asked the city for assistance in addressing it.

CONSENT AGENDA - [6:45 PM](#)

1. Approval of Minutes from Wednesday, 3/14/18 Meeting

The minutes stand as approved.

MEMBER REPORT - [6:45 PM](#)

OLD BUSINESS - [6:58 PM](#)

1. Dog Park Features, Bryan Kast

Bryan shared some history and the process that led to the current location of the temporary dog park off Hillhurst. With almost three years of experience there, he asked for input on next steps. Board Members like the location and made the following suggestions: add vegetation screens, additional seating, additional parking, enhance the fence appearance, install an agility course and water feature, add shelter for shade and a sectioned off area for smaller dogs, etc. With their information, Bryan will compose a draft and bring it back to the Board for their review.

NEW BUSINESS - [7:25 PM](#)

1. Trail Signage, Bryan Kast

Bryan asked for input regarding trail signage. Board Members suggested posting signs that says the name of our trail network and location. For trails that are complete, the map would show it is open. The use of dashes would indicate it is not complete. It would also be nice to post trail rule signs.
